## **Back in the Game (Checkmate ) (Volume 3)** Diana Nixon

Everyone knows that Aaron Blake is not the marriage type. He doesn't do romance. He loves dirty games and women, but most of all, he loves his work. The day Josseline Altier becomes his personal assistant his priorities come crashing down, turning his well-planned life into a complete disaster. She's uncontrollable and too self-assured for her young age. She's not going to follow anyone's orders, especially if they come from a man whose shameless eyes don't miss a single chance to slide down her curves. But one day, everything changes. One accidental picture in a morning newspaper will force Aaron and Josseline to make a decision, the consequences of which neither of them is ready to deal with. It was supposed to be just a false romance, a pretense to spark the rumors. But nothing can stop the fire of irresistible attraction burning in their eyes. One look, one touch, one kiss... How far the game will go?
