Don't Know Much About Geography: Revised and Updated Edition (Don't Know Much About Series)
Kenneth C. Davis

Don't Know Much About Geography by *New York Times* bestselling author Kenneth C. Davis is a fascinating and fun exploration of our planet.

Geography is the hub from which other disciplines radiate: meteorology, ecology, geology, oceanography, demographics, cartography, agricultural studies, economics, and political science.

In addition to presenting geographical trivia that'll impress your friends, Davis explores 21st-century topics of global concern, including the role of the Internet and technology in transforming the lives of people around the world, how so-called developing nations develop, sustainability, and the debates over climate change and evolutionary science.

This completely revised and updated version of *Don't Know Much About Geography* is an entertaining and illuminating grand tour of planet Earth.
