**Resisting Her** Kendall Ryan

She's too young.

Too vulnerable.

I'm too rough.

Too fu\*ked up.

I will ruin her.

But you and I both know that won't stop me.

Resisting her is harder than I ever imagined. My name is Cole, and this is my story of trying to do the right thing, and failing. Don't judge me too harshly until you've read the final page.

Long version:

Agent Cole Fletcher lives for his job at the FBI, and he's more than ready for his next assignment—raiding a cult compound and putting their leader behind bars. But he isn't prepared for Savannah and her knock you on your ass good looks. At nineteen, she's too old for foster care and too damaged to live on her own. With nowhere else to go, and against his better judgment Cole takes her in.

But helping her out won't be easy. He comforts her through screaming nightmares and escaping the lingering fears of her past, but that's the easy part. Her preference to sleep cuddled up next to his warm body, and her desire to please him in every way makes her harder and harder to resist.

Full length, standalone novel.
