Men, are you a man who sometimes struggles with manhood? Have you found it difficult to totally understand how to become a man, or have you seen very few good men throughout your life that you could properly model? Then you would thoroughly benefit from, A Good Man is Hard to Find: Adam Where Are You? In this book Michael L. Henderson, Sr. tackles the distorted views of masculinity many men struggle with today by offering a biblical blueprint of how a real or a GOOD man should live his life.

Women, this book is for you if you long to understand the man or men in your life. It will help you understand the unique challenges that many men face in their lives as they strive to become the men that God has designed them to be.

All, this book is a prophetic cry to the Adams of this generation to take up their rightful place in their families as leaders, providers and protectors of their homes during a period in history where the traditional American family is under attack. This is a call for fathers to turn their hearts back to their sons and daughters, and for husbands to become the loving leaders that their wives so desperately desire.
