Do Not Let Us Die is about the visions of a modern day prophet presented in a book that posterity may well record among the world's great books. The book is exquisitely crafted and delightfully readable and styled in a manner that will surprise anyone whoever thought that oral literature was unexciting. Ponderous in nature, the book delicately weaves an apocalyptic theme into a serious discuss of race relations artfully laid in the interstices of biographic framework of hope, fear, self-doubt, and triumph, and to a great end ... That the will to love be not strained. Do Not Let Us Die is an extraordinary storehouse of intelectual stimulation for anyone who seeks enlightenment and moral courage.
