## **Kingsley** Carolyn O'Neal

Who can save the last boy on earth? 14 year old Kingsley is too fat to wear swim trunks and too poor to play golf. But when colony collapse disorder finishes off the bees and moves on to anything with a Y-Chromosome, Kingsley has more to lose than video games and the attention of petroleum heiress Amanda. Kingsley's mother believes millions of dollars in research can save her son, and she'll lie, steal and worse to get it. But not everyone mourns the loss of the men, and Kingsley's adversaries welcome the plague cleansing the earth for womankind. Can an unscrupulous mother and a spirited girl save the last boy on earth? Fans of dystopian fiction and eco-thrillers (The Hunger Games, The MaddAddam Trilogy) will love Kingsley.
