The Fair Race's Darkest Hour

Cesar Tort

The Fair Race's Darkest Hour Cesar Tort

A catechism of racial thought, compiled from many of the world's foremost thinkers on race and western politics—and some unknown internet commentators—edited and commentated upon by César Tort.

Acknowledgment is due to the following authors and commenters: F. Roger Devlin, Arthur Kemp, Hajo Liaucius, Kevin MacDonald, Larry Mars, Michael O'Meara, Jason Richwine, Manu Rodríguez, Sebastian E. Ronin, Franklin Ryckaert, J.A. Sexton, Evropa Soberana, Stormfront, Vance Stubbs, Tomislav Sunic, Jared Taylor and Joseph Walsh.

From the preface:

This book collects the crème de la crème of what I have read in both the printed press and online about the subject of White preservation.

I chose the title of a “darkest hour” because what I treasure the most is Aryan female beauty; and unless Whites awaken from what the late Dominique Veneer called “Europe’s dormition” the fairest creatures on Earth will face eventual extinction.

The Aryans with honor that want to protect their women must acquire a Homeland of their own: a place where children can be born and raised in safety. A place where the numbers of the population that represents the crown of the evolution may be restored and the threat of extinction overcome.
