THEL R M WEST

James (Jim) Grant who featured in my first book, 'The Unfinished Task', has been recruited by Mossad for his special attributes.

Called to a meeting at a 'safe house' in London, he encounters a scene of utter carnage. Before he dies, Jim's boss passes on a vital message "She'ar Yashuv, THEL Egypt WD". The message means nothing to Jim but in his attempt to discover its full meaning, he journeys to the Middle East where he learns of past conflicts and becomes involved in the current turmoil. Disregarding specific instructions to 'keep a low profile', Jim faces a number of life-threatening situations and falls for the charms of a wanted woman.

THEL stands for Tactical High Energy Laser – a weapon system that could change the whole balance of power in the region. She'ar Yashuv is in northern Israel where the worst air disaster in the country's military history occurred in February 1997.
