What Most Women Want - What Few Women Find (Biblical Perspective to Strengthen and Preserve Relationships) F. LaGard Smith

Women have come a long way. But today both women and men are wondering, "If we're equal, why aren't we happier?" Somewhere along the way did we lose the key to intimate, effective relationships? What Most Women Want reveals the biblical perspective men and women need to strengthen and preserve their most precious relationships. In this book, LaGard Smith takes us through the Scriptures to give us a solid biblical perspective of men's and women's roles in the church. Smith unmaskes the myth of Old Testament oppression of women and reveals how God actually designed His law to give women protection and respect--contrary to most other societies of that day. He shows how God raised up mighty women like Deborah to carry out His plan and points out how Jesus ushered women into a new position of honor.
