### An evil game is in play... does Crane know the rules?

What could be simpler than keeping Team GB safe as they make their final preparations for the Olympic Games on Aldershot Garrison? But when the body of a soldier is discovered and supplies start disappearing, Military Police Detective Tom Crane knows that an altogether more sinister game is in play. As time ticks down, no one knows who the next target will be, or who the player is. But he's there, hiding in plain sight. Far closer than anyone thinks... If you love crime thrillers, this deftly plotted novel from the wife of an Army veteran with 22 years' service, will stay with you long after you turn the final page. **"It makes the hairs on the back of your neck stand up,"** John Paul Davis Author and Broadcaster.
