What secret drives him into hiding as a deadly winter snowstorm bears down upon the the area, putting those who love him most at risk? Anne Mason-Brandt escaped the wrath of a vicious serial killer five years before. But the fear she had then is nothing compared to the terror instilled by a life-threatening disease and a secret that could blow her and Michael's happy marriage apart. Is love enough? Nine months pregnant, Jennifer Brennan-Stone has a secret that will change Blake's and her life forever. She's already lost one baby and this pregnancy has her on bed-rest. Can they find a small boy who doesn't want to be found before it's too late? Frankie and Lane Hansen are having an up-close-and-personal impact to their finances thanks to a lousy economy. One of them has a secret that could make a bad situation even worse. Tim Brennan and his wife, Megan fell in love with their pink Victorian house the first year of their marriage more than thirty years before. As Megan plans to turn their lovely home into a bed and breakfast, Tim is unsure he can share his wife, home and memories with strangers.
