**I Have to Go Back to 1994 and Kill a Girl: Poems (Kathryn a. Morton Prize in Poetry)** Karyna McGlynn

*I Have to Go Back to 1994 and Kill a Girl* is film noir set in verse, each poem a miniature crime scene with its own set of clues—frosted eye-shadow, a pistol under a horse's eye, dripping window units, an aneurysm opening its lethal trap. In otherworldly vignettes, *1994* pairs the unreliable narration of *Jacob's Ladder* (with its questions of identity and shifting realities) with the microscopic compulsiveness of *Einstein's Dreams*. The book's sense of hypnotic premeditation brings *Donnie Darko* to mind as well, as poem after poem scatters the breadcrumbs of a murder mystery leading us further away from the present self and deeper into the past. *I Have to Go Back to 1994 and Kill a Girl* is an astounding debut collection that will crawl under your skin and stay there.

"*I Have to Go Back to 1994 and Kill a Girl* is a remarkable book. It is innovative, original, unprecedented, and, at the same time, its originality and innovation are predicated on a passionate, even obsessive relationship with the past."—Lynn Emanuel
