Imagine having an experienced Latin teacher walk right into your home and sit down to teach your students. With this DVD set, your students will be receiving just that kind of one-on-one learning experience. They will love learning with author Dr. Christopher Perrin and his Latin students on the Latin for Children, A DVD set. Clear, whiteboard grammar lessons are given by Dr. Christopher Perrin from his cozy office, and the student-led Memory Page, complete with motions and songs, is chanted in front of a big stone fireplace. Pronunciation will become a breeze and don't be surprised to hear even your youngest children picking up the catchy chants and songs. Each lesson (average twenty minutes per lesson) corresponds to the weekly chapter in the Primer, and features the chanting and singing of vocabulary and paradigms along with clear grammatical explanations by Dr. Perrin. The actual text from the book appears on the screen as the material is presented, making it easy to follow along.
