Mercury Rises: The explosive sequel to *Mercury Falls*!

Jaded religion reporter Christine Temetri and Mercury, a renegade angel, have just thwarted two diabolical plots to destroy the world. But their work isn't finished yet: mysterious powers outranking even the Heavenly bureaucracy seem intent on keeping the Apocalypse on track. While the world is plagued by natural disasters and nations prepare for war, crazed billionaire Horace Finch plots to use a secret device hidden beneath the African desert to discover the deepest secrets of the Universe—even if he has to destroy the Universe to do it. Meanwhile, unassuming FBI investigator Jacob Slater tries in vain to find a rational explanation for the mysterious destruction of downtown Anaheim—a quest that ultimately brings him to Kenya, where he meets Christine and Mercury. Together, the three must stop Finch from activating the device and tearing reality to pieces. Uproarious and wildly entertaining, *Mercury Rises* proves that the devil is in the details!
