The Christ of Christmas

James Montgomery Boice

The Christ of Christmas James Montgomery Boice

The Christmas story evokes many touching images. Halos, fresh hay, shepherds carrying newborn lambs, and young motherhood all bring tears to the eyes of Christmastime churchgoers.

But the Christmas story is more than sentimental. It is powerful. It deals with real people. It involves pain. It is one of the most strikingly unusual stories in all of history. And its main emphasis is not on Jesus' infancy, but on his deity -- and why Deity took the form of an infant.

In this collection of Christmas insights, Dr. James Montgomery Boice emphasizes the incredible implications of one of our favorite true stories: the Creator of the universe choosing to live among the people of Earth.

The Christmas story has deep meaning today, not merely as a nice bedtime story for children or a narrative in a choral concert, but as a foundation point of your salvation and your new life in Jesus -- the omnipotent, omniscient, righteous Christ of Christmas.
