Nothing worth achieving is executed without a game plan, and women are no different. In this book I give you a three date plan that get the girl to open up, like you, and end up in your bedroom. If your closing ratio is less than half you need this book. Think about it, once the girl has agreed to go out with you it's in the bag.

If you didn't get what you want out of it, odds are you messed it up. Nothing is fool proof, and any fool proof claims with women are lies; however, this works 80% of the time all the time.
