## **The Broken Cat** Lynne Rae Perkins

There are times when hearing a familiar story -- even a story about how your mother fell and broke her arm when she was a little girl -- can be comforting. And so it was for Andy, and for his cat, Frank. Because the important thing is that injuries heal. When they have healed, they become stories -- and sometimes a story with a happy ending is exactly what is needed. If you are looking for the perfect book about love and families and intergenerational support (to say nothing of cats), look no further.
