After the destruction of the Warsaw ghetto in 1943, Anna Adler, who was then known as Rosa Feurmann, was asked by the partisans to infiltrate the Hotel Polski. Rumor had it that the Nazis were attempting to lure Jews out of hiding by the sale of exit visas from Poland. Although some thirty years have passed, Anna's memories of the Hotel Polski remain conflicted by sorrow, guilt and passion. It is some two years since Anna returned from a reunion of the survivors where she was applauded for her courage in testifying against the Commandant of the Polski at his War Crimes Trial. Nevertheless, despite the accolades, her obsession with what took place at the hotel during her period of imprisonment continues to haunt her. The Family Affair a sequel to The Polski Affair tells of the fortuitous discovery of new members of Anna's family, bringing her both joy and torment. For Anna, the ties that bind run deeper than she cares to admit and result in explosive revelations that both divide and unite her family for years to come.
