Caught by my Husband: Erotica (Casey's Addiction Book 1) Isis Kelly

This book contains explicit erotic content and is only to be read by those 18+ years old. It's a 3,000 word, super-hot story about every woman's darkest fantasies. It includes first-time anal sex, deep-throating and punishment scenes.

I'm Casey, I'm 25 years old and from Missouri, and I've been married to my gorgeous husband Jack for six years. All I've ever wanted to do is have a job, keep our home nice and have a happy life together. Unfortunately, somewhere along the line, I got into watching internet porn. I knew I could never tell my husband about it, and I felt real bad about it, but something just kept making me watch it again and again.

People say it's addictive, and they're right! It's like something crazy happens to me that I can't control. One minute I'll be in bed, turning things over in my mind, and the next I'll be downstairs, opening my laptop and looking for all kinds of nasty stuff.

Anyway, this went on for a while, until one day Jack catches me in the act! He feels like I've betrayed him, and he's determined to punish me for what I've done. My punishment is being forced to re-enact some of the scenes in the videos I've watched.

This is my diary, where I confess what happened when I got caught, and the things I let Jack do to me in the following weeks to atone for my crimes.
