Hot Straight and Normal is a submarine bibliography with over 6000 references to books, videos, articles and Internet sources. It is designed to assist researchers, historians, students, teachers, collectors and others with an interest in submarines, their history, construction and use in wars worldwide. Its unique format of listing the books by title, will assist the researcher and casual reader alike in finding or searching for familiar words and subjects. Fiction book titles are also included. Each listing contains title, author, date published, publisher, page count, ISBN number and other informative descriptions if known. This is the only submarine bibliography currently in publication. The article index includes all articles in all issues of Naval Submarine Leagues Submarine Review and Naval Institutes Naval Proceedings magazine. There are Web sites and other Internet sources listed and even information on obtaining more information through the Freedom of Information Act. Also included is how to find materials inside government archives. Collected and edited by a former U.S. submariner and member of U.S. Submarine Veterans Inc.
