A monumental classic dedicated to the oppressed, the underdog, the laborer, the rebel, the orphan, and the misunderstood, *Les Miserables* is a rich, emotional novel that captures nothing less than the entirety of life in nineteenth-century France. *Les Miserables* is primarily a great humanitarian work that encourages compassion and hope in the face of adversity and injustice. It is also a historical novel of great scope, and provides a detailed vision of nineteenth-century French politics and society.
