Topically organized, *LexisNexis Practice Guide New Jersey Criminal Procedure* covers the entire process of a criminal trial in New Jersey, from the initial representation of a client through sentencing and post-sentencing procedures and much more.

Each *Practice Guide* chapter combines authoritative legal analysis with an expert author's practical insights, distilled from years of litigation practice. New Jersey Criminal Procedure includes more than 120 Practice Tips - including Strategic Points, Warnings, Timing Issues, and Exceptions (with easy-to-recognize icons) - that transition smoothly from legal analysis to practical application of a point of law.

Chapter parts begin with a detailed practice checklist (more than 45 checklists total) defining the essentials of a major task. Checklists capture the essential steps (the what, when, and how) of each task, with cross-references to relevant authority, forms, and discussion of the topic within the chapter itself.
