William Shakespeare

The Tempest The Graphic Novel (American English, Original Text) William Shakespeare

Cast onto the waters by his power-hungry brother Antonio, Prospero, the Duke of Milan, has been living on a distant island for a dozen years along with his daughter Miranda. In his years of banishment, Prospero has developed strong magical powers — powers that not only allow him to deduce that Antonio is on a nearby ship, but to cause the ship to run aground. At long last, Prospero has a chance to get revenge on those who have wronged him. But, will he also ruin Miranda's chance for happiness? *The Tempest* is considered by many critics to be Shakespeare's crowning glory. This full-color graphic novel presents the sparkling romantic comedy just as Shakespeare intended: in its original and unabridged format, and in its original setting. As with the other titles in this well-received series, it encourages readers to discover classical literature while staying true to Shakespeare's vision. Also available are a Plain Text version, translated into modern U.S. English, and a Quick Text version, with less dialogue for a fast-paced read.
