The Web Collection Revealed Premium Edition: Adobe Dreamweaver CS3, Flash CS3 & Photoshop CS3 Sherry Bishop, James Shuman, Elizabeth Eisner Reding
With the release of Adobe's Creative Suite 3, the integration that Web developers and graphic designers had only dreamed about is now becoming a reality. The Web Collection Revealed Premium Edition is the first book on the market to feature Adobe Dreamweaver, Adobe Flash, and Adobe Photoshop all together in the same text. Readers gain practical experience with the software as they work through end-of-chapter learning projects and step-by-step tutorials. An integration chapter demonstrates how to move from one application to the other while creating a Dreamweaver Web site that incorporates both Flash and Photoshop files. Full-color illustrations and a user-friendly design combine to create a solid learning experience that reveals how to master the latest features of these popular applications.
