*Standing near my bedroom window I peek out, knowing the time is soon approaching. Every Sunday morning my neighbor Summer would be outside washing her car and today would hopefully be no exception. While most of the God fearing people in our neighborhood were off with their families at church it is just me and her, or more accurately me watching her. I'm not proud of all the time I have spent in this window but ever since Summer got that bright red sports car she has spent every Sunday morning in her bikini washing her car. I have tried to stop watching her but it is just too difficult for me to stop.*

Summer, the perfect girl who lives next door to me loves to wash her car, I like to watch. Ever since I noticed her outside in her skimpy little outfit it was all I could do to not go over there. Little did I know she was watching me as well.
