She's been a stranger to love for so long ... Now, because she will not abandon a boy who is both trouble and troubled, she's tied to this intense, stubborn man who arouses her in ways she's never known ... and who could break her completely.

He's everything she doesn't want, especially a former cop who still has law enforcement in his veins. And she told him that once before, so surely he's not interested in a second chance romance. And, yet, there's that undeniable pull... As well as her recognition that he truly wants what's best for his nephew, even as they disagree on how to accomplish that. And she has a feeling that he's very good at his job. Not that she'd ever need protection in peaceful, small-town Bardville, Wyoming ... will she?

It all comes down toL Can she take the risk of finding a stranger to love?
