### F. W. Murnau Les Hammer

Silent film historian Anthony Slide (Nitrate Won't Wait, Silent Players) hails the work of Les Hammer in F.W. Murnau: For the Record - the book that shatters the myth surrounding the accidental death of the silent film director Friedrich Wilhelm Murnau in 1931. In his book, the author refutes the twice-told tale of sex and death in Kenneth Anger's notorious expose 'Hollywood Babylon', reveals the identity of the valet who was involved in the fatal accident and restores the illustrious name and reputation of the man whom director Werner Herzog praises as "the greatest filmmaker in Germany" - Friedrich Wilhelm Murnau.
