**Fundamentals of Advanced Accounting** Joe Ben Hoyle, Thomas Schaefer, Timothy Douppnik  
***Fundamentals of Advanced Accounting, 5th edition***, is ideal for those schools wanting to cover 12 chapters in their advanced accounting course. This brief yet concise text allows students to think critically about accounting, just as they will do preparing for the CPA exam. With this text, students gain a well-balanced appreciation of the Accounting profession. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future as it originates from Hoyle&#39s big text *Advanced Accounting*.

The writing style of the four previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style remains engaging, lively, and consistent which has made Hoyle the market leading franchise in the Advanced Accounting market. The 5th edition includes increased integration of IFRS, as well as updated accounting standards.
