Carol Chapman

This is a book that will change your life!

The inspirational prayers in Have Your Heart's Desire have improved the lives of many and can do the same for you. Author Carol Chapman has shared these prayers for years at her speaking engagements. Audience members have remarked that the prayers have improved their lives. Now she's sharing the prayers with the rest of the world so that others can reap the benefits the prayers provide.

Chapman learned the prayers from their creator, J. Everett Irion, a kind and psychic counselor working at Edgar Cayce headquarters in Virginia Beach. He studied the intuitive guidance in the Cayce readings and provided private spiritual coaching sessions that included guidance in psychic development, personal transformation, and self improvement. One of the prayers, the profound 40-day Forgiveness Prayer, is often referred to as the Edgar Cayce prayer.

In this fantastic book you will learn:

- How to forgive yourself
- A prayer for forgiving others
- A prayer that helps with guilt and grief
- A prayer to help relationship problems
- How the 40-Day Prayer inadvertently led to one man's healing from cancer
- How to use the Law of Attraction in ways that honor the will of the soul
- Spiritual guidelines for making good choices
- Why you need to appreciate everything
- A prayer for letting go of anger and resentment
- The interplay of the conscious and subconscious minds in finding happiness
- How body/mind healing and Grace can result when following these spiritual practices
- How the Prayer of Manifestation can bring you the desires of your heart
- How to choose your words to create more powerful prayers

If you want to make a better life, this is the book for you!

Have Your Hearts Desire is the first book in the "Your Spiritual Awakening" series. When readers learned of the many spiritual techniques author Carol Chapman used that led to her spiritual awakening as described in her book, *When We Were Gods: Insights on Atlantis, Past Lives, Angelic Beings of Light, and Spiritual Awakening*, they asked her to give them step-by-step instructions. In answer to their request, she is creating the Your Spiritual Awakening series which will include dream study, meditation methods, and manifesting

psychic soul powers through communicating with nature spirits.

Foreword by Nancy C. Chrisbaum, Filmmaker, Intuitive Counselor, and Energy Practitioner.

~ Peggy Day, Co-author, *Psychic Children: A Sign of Our Expanding Awareness*

"This little book allowed me to reach a deeper appreciation of all that life offers; to see the perfection of my life's path; and from that place, a more humble heart emerged as I followed Carol's prescribed route to manifesting my hearts desires through the auspices of prayer."

~ Shannon Wills, Nanaimo, BC, Canada
