How To Become A Writer (Becoming A Writer Book 1) Johnathan Lopez, Michael Rivers

Do you wish you had a job that has everything you have been looking for?

Some people might say that no such job exists.

But, the perfect job is a matter of opinion and it basically boils down to what is perfect for one person is not for another.

But being a writer can be challenging and also a very satisfactory job to have.

Each day can be totally different to the one before because you always have something new to write about.

Do you like to write? Well I bet you have always dismissed the thought of becoming a writer.

Well the good news is that is not as difficult as might think to become a successful writer. You just need a little push in the right direction and you could be earning a tidy sum from your writing.

If you had the chance to live your dream of becoming a writer, would you take it?

Well the newly published book “How to Become a Writer” will help you gain the confidence you need to fulfil your dream of becoming a writer.

Maybe you want to write poetry, short stories or even the next best-selling novel. If that is your ambition then this book will give you all the information you will ever need to succeed as a writer.

The information presented in this book is aimed at helping you gain a clearer vision on your way towards becoming a writer. Well, not just being a writer, but more of how to be a writer in its very essence.

So what are you waiting for? Your dream career as a writer is waiting for you.

It is just a matter of whether you want to continue doing what you have been doing day after day for as long as you can remember or do you want to wake up to a job that gives you a new challenge every day.

Work cannot be better than that! It's just a question of is it what you want. If you do then stop procrastinating and start realising your dream!
