Skyvale faces problems worse than anyone realizes. Secrets are building. Enemies are everywhere. Told from the perspective of Tobiah, the crown prince with a dangerous secret, and set two years before the heart-racing action of *The Orphan Queen*, this 100-page digital novella brings to life one of Jodi Meadows's most beloved characters.

Tobiah Pierce is ready to break free of his princely role—he's sick of the bodyguards that always trail him and is uncertain about the new girl at court, Meredith Corcoran, who his parents keep pushing toward him. When Tobiah's beloved tutor seems to be embroiled in a dangerous situation deep within the city, Tobiah jumps on the opportunity to throw off the royal restrictions and chase after him. But what happens in the narrow alleys and shadowy corners proves he doesn't know anything about the people he cares about—or the city he must one day rule.

The Glowing Knight is the second of four prequel novellas that offer existing fans a deeper insight into a favorite character and the complex city of Skyvale, while new readers will find a stunning introduction to this rich world and the heart-pounding fantasy of the Orphan Queen series.

Epic Reads Impulse is a digital imprint with new releases each month.
