## **What Do You Believe???: I Am A god** derrick r barnes

Humanity is at such a low point, that we can't fathom being a god. It sounds foreign to the ears to be a god. But this god concept I speak of is about love, love for self, love for others, love for other living beings. I'm speaking about loving ourselves and living beings in a more perfect "GODLIKE" way. It means being a person who lives life on a higher level and who respects others on a higher level. It's time to elevate to a higher consciousness.
