## What A Boy Wants Nyrae Dawn

Courtesy of watching his mom's relationships, Sebastian Hawkins knows what girls need to do to get a guy. He has what he considers a PHD in hooking up. When he needs extra cash for a car, Sebastian starts up an online venture as The Hook-up Doctor, to anonymously help girls land the guy of their dreams. Of course, his services don't offer a happily-ever-after guarantee. He's seen firsthand getting together never means staying together. And then he falls in love... With the last girl he would expect... Totally not in his game plan. Suddenly, Sebastian finds himself muddled in the game he's always prided himself on. He can't even pick up girls at parties anymore! Why would anyone want to be in love when it turns you into a stuttering, screwed-up, mess with really lame stalker tendencies? Stalking? Totally not his gig. But the Hook-up Doctor won't let himself go down easily. He's always known how to give a girl what she wants and now it's time to figure out what a boy wants... and he definitely plans on getting it.
