Americans are led to believe the only way to discover cancer is to wait for a tumor to grow big enough to see it with a mammogram, PSA screening, or PET scan. This is DEAD WRONG. These tests are late diagnostic. You are wasting valuable time because the information comes too late to save you from toxic therapies that are not the cure for cancer and may even lead to a recurrence. This book is the road map for how to detect cancer years before standard tests do. If you are in treatment, this book tells you how to avoid being subjected to the conventional one-size-fits-all cancer treatment you can find out what drugs and natural therapies will be effective for your specific cancer and tailor a personal program for you. Changing the way the world detects cancer.
