Deco Devolution: The Art of BioShock 2

This massive, official hardcover art book was only available for a short time with the release of BioShock 2, and is quite sought-after now. Containing 168 pages of gorgeous, full-color artwork from the game, fans will be delighted to find stunning concept paintings, detailed character and weapon designs, storyboards, a gallery of posters, and much more in this exhaustive volume. Accompanying the images are insights from the artists and developers themselves as they explain some of the lore behind the characters and what went into bringing this unique world to life. This is a must-have book for any fan of the games or of art deco art in general.
