Fun and Games (Charlie Hardie #1) Duane Swierczynski

The first of three explosive pulp thrillers arriving back-to-back from cult crime fiction sensation and Marvel Comics scribe Duane Swierczynski.

Charlie Hardie, an ex-cop still reeling from the revenge killing of his former partner's entire family, fears one thing above all else: that he'll suffer the same fate.

Languishing in self-imposed exile, Hardie has become a glorified house sitter. His latest gig comes replete with an illegally squatting B-movie actress who rants about hit men who specialize in making deaths look like accidents. Unfortunately, it's the real deal. Hardie finds himself squared off against a small army of the most lethal men in the world: The Accident People.

It's nothing *personal*-the girl just happens to be the next name on their list. For Hardie, though, it's *intensely* personal. He's not about to let more innocent people die. Not on his watch.
