I Got You: Restoring Confidence in Love and Relationships Rob Hill Sr.

This book isn't about playing a game to get what you want. It's about you looking at yourself and finding ways to learn how to grow as an individual. I cannot tell you every single step you should take to get you to where you are trying to go in life. But what I can do is make sure you have enough confidence to trust your own judgments, regardless of past mistakes. I want you to understand that it's okay to be exactly where you are right now, whether you are single or in a relationship. Appreciate where your journey is taking you, but be able to identify areas that need to change. I want you to read this book and have a better understanding of the present. I want you to know that trying to get it right is a constant process. We never arrive at a place of knowing it all. For as long as we are alive, we are challenged to grow, learn, evolve, and mature. Love is a decision, not a destination. It's not something you stumble upon. You must choose to walk in it, give to it, and become it. Each of us travels a different path to find the love we are searching for. Some find what they are looking for instantly, while others must jump over a few hurdles before realizing they have finally found something special. In essence, we are all just working towards what we believe we deserve— our fair chance at love and happiness.
