There are many stories told in this collection, each one horrific. Mr. Parker is a no nonsense writer, he gives the facts (as hard as they are to read) in a straight forward manner. A great deal on this box set." -- **Amazon Customer**

"I love how these books are packed full of facts and details but also have that wonderfully descriptive quality of fiction that makes me lose myself in the story. Several of these stories have stuck with me and I find myself revisiting them time and again as well as sharing them with other readers. I heartily recommend not only for the content, but the economical price as well." -- **Kelly Sons**
