The Burning Man Elaine Wall

A burned out wizard detective takes on one of the most dangerous cases of his career in this nail-biting thriller. Mystery, fantasy, forbidden romance, and a healthy dose of sarcasm combine to form a fast paced, heart-warming, laugh-out-loud read.

Detective Murray Templeton starts his day pining for his buxom, fiercely intelligent neighbor as per usual. A burnt slice of toast and dribble of coffee later finds him at the scene of a grisly murder. A Townie, local speak for a non-magic type, is found murdered in a park in a very magical way. Someone has cast Prima Belladonna at her and she's literally sung her heart out. Thus begins a winding mystery that takes Murray from a floating prison in the clouds to a tiny backwoods settlement and back again. A breathless chase, a cinematic kiss, a handful of armed and dangerous exotic dancers, a pensive troll, and a goblin arms dealer round out the tale.

Will Murray catch The Burning Man before they harm him or someone he loves?

From reader reviews:

Ray Goodrow:

The book The Burning Man can give more knowledge and information about everything you want. Exactly why must we leave the great thing like a book The Burning Man? Some of you have a different opinion about e-book. But one aim which book can give many details for us. It is absolutely appropriate. Right now, try to closer using your book. Knowledge or data that you take for that, it is possible to give for each other; you are able to share all of these. Book The Burning Man has simple shape however you know: it has great and massive function for you. You can look the enormous world by open up and read a e-book. So it is very wonderful.

Linda King:

What do you in relation to book? It is not important along? Or just adding material when you require something to explain what your own problem? How about your extra time? Or are you busy particular person? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Everyone has many questions above. They have to answer that question simply because just their can do this. It said that about publication. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this specific The Burning Man to read.

Magdalena McKinney:

The ability that you get from The Burning Man may be the more deep you searching the information that hide within the words the more you get interested in reading it. It doesn't mean that this book is hard to understand but The Burning Man giving you excitement feeling of reading. The article writer conveys their point in certain way that can be understood by simply anyone who read the item because the author of this reserve is well-known enough. This book also makes your own personal vocabulary increase well. It is therefore easy to understand then can go together with you, both in printed or e-book style are available. We recommend you for having this kind of The Burning Man instantly.

Bernard Taylor:

People live in this new day of lifestyle always make an effort to and must have the spare time or they will get lots of stress from both day to day life and work. So , whenever we ask do people have free time, we will say absolutely of course. People is human not just a robot. Then we request again, what kind of activity have you got when the spare time coming to you of course your answer may unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative inside spending your spare time, the actual book you have read is usually The Burning Man.
