Troubled Spirits Teri Lee

Sixteen-year old Annie Waters doesn't believe in ghosts. To her, the concept of the supernatural is nothing more than a figment of her mother's overactive imagination. So when her friends coax her into joining them on a ghost hunting expedition, she is convinced they will discover nothing more than disappointment. Instead she discovers that ghosts are real. And some ghosts do not wish to be disturbed.

That first ghostly experience awoke something inside Annie--a connection to the supernatural realm. And now, no matter where she turns, a ghostly presence is reaching out to her. But she dares not take her focus off her first encounter--the Spirit of the Caldwell School. Because this spirit threatens the lives of Annie and her friends and she has only nine days to uncover the secrets hidden in the Caldwell School, or join the spirit realm herself.
