We All Fall Down Brian Caldwell

When you no longer need question the nature of the universe, does it follow you no longer need question the nature of your soul? The Christian Bible is true, the prophets were right, and Armageddon is now. Using this dramatic backdrop, Brian Caldwell explores the nature of hatred and forgiveness, divinity and damnation. Building to a shattering, inevitable climax, WE ALL FALL DOWN employs biting realism in the story of one man's confrontation with the end of the world, God, and, most harrowingly, himself.
