A Game of Brides (The Great Wedding Giveaway Series Book 6) Megan Crane

Emmy Mathis is sure of three things:

1. Her sister Margery's three-week wedding extravaganza at their grandmother's Marietta, Montana home will be over-the-top ridiculous.
2. She'd much prefer to stay home in Atlanta in a pair of sweats.
3. And she absolutely, positively, won't feel even a hint of a spark for Griffin Hyatt, grandson of her beloved grandmother's best friend and the architect of the most embarrassing night of her life ten years ago.

But Emmy is dead wrong about number three. The moment she and Griffin lock eyes again, the passion that's always smoldered between them flares. And they aren't kids any more, so why should they deny the desire that sears through them both?

Is this no more than a wedding fling between two people with too much chemistry and an overload of history, or can Emmy try to build a new life from the ashes of their past? And if Griffin is truly really free of his fiance, why is he a finalist in the town's Wedding Giveaway? Emmy can't answer those questions, but she does know that Griffin has the power to burn her like no one else.

Still, how can Emmy walk away from the one man she's always loved now that she knows what she's been missing?
