Winds of Salem: A Witches of East End Novel (The Beauchamp Family Book 3) Melissa de la Cruz
The basis for the hit Lifetime TV series, Witches of East End! Freya Beauchamp is trapped in 1692, in Salem of all places, with no recollection of her past. A powerful enemy spell has sent her spiraling away so that she is separated by centuries from her mother, Joanna, and sister, Ingrid. This is not good news for a twenty-first-century witch. Not to mention the immediate threat she faces from the wealthy and influential Putnam family. When little Annie Putnam is one of the first to make accusations of witchcraft, her landowner father jumps at the opportunity to consolidate his power and expand his holdings in Puritan Salem Town. If Freya is caught using magic, she will be forced to relive the witch trials, and this time, her immortality will be in question.

Meanwhile, twenty-first-century North Hampton has its own snares. Joanna and Norm consult the Oracle for advice, and Freddie and his pixie allies search for a missing totem that could reopen the passages of time and help bring his sister home. When Ingrid bumps into an old flame, she finds that her new love for Detective Matt Noble is in doubt. Moving between past and present, with dizzying plot twists and page-turning suspense, *Winds of Salem* is sure to bewitch fans old and new.
