British War Production (HMSO Official History of WWII - Civil) M.M Postan

Narrative version of the British official history. A detailed account of how the UK mobilised its war economy at twice of the speed of Germany in WWII. We tend to focus on the heroic fighter pilots of the Battle of Britain in WWII. They would of stood no chance at all if the UK had not been about to build and replace aircraft twice as fast as Nazi Germany. This is the story of that production victory.
