Mercia is a **beautiful young, inexperienced Roman slave**, set to work in the Colosseum. When her new master tells her that she is going to have to perform a **special service** for Flavia, the most **famous, fearsome, female gladiator** in Rome, at first she's terrified, and reluctant.

But when she meets Flavia, and sees exactly **what she has to offer**, she's eager to show her **just how much she wants it**. So eager in fact, that the two other **sexy slaves** she's up against don't stand a chance.
