How To Opt Out of Obamacare with Christian Medical Sharing

What Is Medi-Share?

It's Based on a New Testament Approach to Healthcare.

Medi-Share is a modern-day version of what the church started back in the book of Acts. The early believers shared each other's burdens and cared for one other in an authentic Christian community where no one was left in need. Medi-Share members come together to share each other's healthcare costs.

It's Not Insurance- It's Christian Healthcare Sharing.

Each month, your share is matched with another person's eligible medical expenses. Christian Care Ministry assists in the direct sharing of medical costs between members and provides you with a secure online way to see who you are sharing with.

"44 Now all who believed were together, and had all things in common, 45 and sold their possessions and goods, and divided them among all, as anyone had need." Acts 2:44-45 (NKJV)

For over 20 years, Medi-Share members have been faithfully sharing each other's Medical expenses. The members rely on the Lord to offer in their time of need through the voluntary gifts of other believers. Since 1993, hundreds of millions of dollars in healthcare costs have been saved through sharing or discounting.

It's Much More Than Healthcare.

Besides sharing medical bills, Medi-Share members encourage and pray for members. It is assisted by a company that offers health education and promotes biblical living. We give Christians greater opportunities to serve and support one another as Jesus taught.

Medi-Share is helping Christians make an Impact

When we share our lives and resources to care for one another in the Christian community, we not only experience the blessings of God but, we truly reflect the love of His Son Jesus. This transforming love can change the hearts of people and our culture.

"16 But do not forget to do good and to share, for with such sacrifices God is well pleased." Hebrews 13:16 (NKJV)

Why Medi- Share?

It's Affordable.

Medi-Share members are required to live healthy and Godly lifestyles, which keeps expenses down. Share amounts are based on your choice of one of 8 different program options.

It's a God-honoring Choice.

The Affordable Care Act includes a special provision for Healthcare Sharing Ministries. As a Medi-Share member, you will be exempt from any tax penalties. Additionally, your healthcare dollars go to help other Christians rather than funding insurance coverage requirements that are not God honoring (e.g,abortion and the morning-after pill).

It's Good Stewardship.

With alternatives that match every budget plan, Medi-Share is sensible stewardship for Christians who don't want to be left alone to pay their medical bills. Medi-share offers incentives to its healthier members.

It's Proven.

Since 1993, Medi-Share members have been caring for one another through medical bill sharing. over \$900 million have been shared and discounted! It's a biblical, proven model for healthcare: believers helping one another in true Christian community.

It's Ministry.

It is a not-for-profit ministry where the members make the rules-and their dollars don't pay for procedures or treatments Christians find objectionable.
