CLOCK CLEANING AND REPAIRING Bernard Jones

This practical handbook on the clock cleaning and repair of English, French and Dutch domestic clocks is largely the work of a practical horologist Bernard Jones. The book was first published in 1917. In it, he gives the results of a lifetime of experience in the clock repairing and making industry. Writing with authority, his instructions are a clear and simple form that every reader should be able to understand.

The book has a wide scope, and covers most of the work likely to be met within normal clock repair work. Papillon Publishers has fully digitalised all the images and restored them to as high a standard as possible given the original scan quality. The publication includes the following chapters:
