Ron and Diana are a very happily married couple. Keith and Stacy could not ask for more because they have each other. The O'Neil family is doing well and Sheila is talking to Zechariah. Grandma Harris is still around praying and praising God. The spirit of the prince of darkness finds bodies to possess and a fury of pure anger and revenge is not only sent Ron's way but the entire O'Neil family comes under attack like they have never known. This spirit has no remorse, no compassion and no mercy, just hate with no discrimination! My Call III makes I and II seem like slight irritation from the devil, in comparison to what he is about to do. The spirit of Mr. Bones is coming with the hand of death and he is using sex, money, and violence just to get your attention. The O'Neil family will suffer greatly but whom? How many? When the smoke clears who will be left alive? The spirit of hell has been unleashed!
