As a college student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this 101 Places to See Before You Die (101 Things) can make you really feel more interested to read.
