ACT Reading Practice Book (Advanced Practice Series) (Volume 5) Khalid Khashoggi, Arianna Astuni, Patrick Kennedy

The Reading Section of the ACT challenges test takers to read efficiently yet attentively. Both speed and accuracy are necessary, and these are the qualities that you will build with this ACT Reading practice book. Created and edited by the veteran test prep instructors of Integrated Educational Services, the techniques, passages, and practice questions in this volume are designed to help you dramatically refine your methods—and dramatically improve your score. You will begin by deepening your knowledge of the four different ACT Reading passage types: Literary Narrative, Social Science, Humanities, and Natural Science. From there, use the classroom-tested tips and techniques developed by IES and practice your way to success. The ten full practice tests in this book will help you to hone your test-taking skills, while self-assessments and detailed answer explanations will enable you to target your weaknesses and solidify your strengths. Four substantial passages, forty questions, only thirty-five minutes—each ACT Reading section can seem intimidating. This book will change that. Follow the techniques, delve into the practice tests, and take control of the ACT!
